This document is accurate as at: 16 August 2023

You are about to purchase a product that is not simple and may be difficult to understand.

What is this product?

Type

This product is an accumulating share class of the Fund denominated in EUR.

The UCITS is an open-ended investment company with variable capital and qualifies as an undertaking for collective investment in transferable securities, subject to Directive 2009/65/EC of the European Parliament and of the Council of 13 July 2009 as amended from time to time.

As an investment fund, the return of the Fund depends on the performance of its underlying assets.

Term

The Fund does not have a fixed maturity. All the shares in the Fund may be redeemed by the board of directors of the UCITS or at a general meeting of shareholders in certain circumstances details of which are outlined in the prospectus. As such, the UCITS Management Company may not unilaterally terminate the Fund.

Objective

Investment Objective:

Long term growth of your investment.

Main Investments:

At least 70% of the Fund's investments will be in company shares, including real estate investment trusts and property related collective investment schemes.

Investment Policy:

To invest in companies in the real estate industry based in Europe. This includes funds such as Real Estate Investment Trusts and publicly quoted property unit trusts. Where funds and trusts are used the investor may indirectly bear the ongoing management costs of those investments as well.

As an essential and integrated part of the investment process, the Investment Adviser assesses relevant factors material to long-term sustainably high returns including ESG factors and seeks to engage with company management teams as part of this.

The Fund includes tobacco, climate- and weapons-related exclusions; and restrictions on companies associated with severe ESG controversies without material remediation and improvement; and companies owning or operating real estate used for for-profit prisons or to manufacture cannabis. For further details, please see the Fund prospectus (www.morganstanleyinvestmentfunds.com and at www.morganstanley.com/im).

The Fund will measure its performance against the FTSE EPRA Nareit Developed Europe UCITS Daily Capped Net Total Return Index (the "Benchmark"). The Fund is actively managed and is not designed to track the Benchmark. Therefore, the management of the Fund is not constrained by the composition of the Benchmark.

Other Information:

The Fund may invest up to 30% of its assets in investments that do not meet the above criteria

Redemption and Dealing: Investors may buy and sell shares on every full banking business day in Luxembourg.

Distribution Policy: Income generated by the Fund is reinvested and included in the value of shares.

Intended retail investor

The Fund is not suitable for investors who plan to withdraw their money within 5 years.

The Fund is suitable for investors who:

- Seek a return over the medium-long term

- Seek to invest in equity securities

- Seek income whether in the form of capital appreciation or distributions, as outlined in the "Dividend Policy" section of the prospectus

- Accept the risks associated with this type of investment, as set out in the "Risk Factors" section of the prospectus

Depositary: J.P. Morgan SE, Luxembourg Branch

Further Information:

The prospectus of the UCITS and periodic reports are prepared for the entire UCITS. Assets and liabilities of each Fund are segregated by law, meaning that the liabilities allocated to one Fund may not impact the other Fund. Shareholders are entitled to convert their shares to shares of another Fund/class of the UCITS, as described in "Conversion of Shares" section of the prospectus.

Copies of the prospectus and of the last annual and semi-annual reports of the UCITS as well as other practical information such as the latest price for the shares may be obtained free of charge, in English, at the registered office of the Fund: MSIM Fund Management (Ireland) Limited, European Bank and Business Centre, 6B route de Tréves, L-2633 Senningerberg, Luxembourg.

What are the risks and what could I get in return?

Risk indicator

The risk indicator assumes you keep the product for 5 years.

The actual risk can vary significantly if you cash in at an early stage and you may get back less.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

We have classified this product as class 5 out of 7, which is a medium-high risk class.

This rates the potential losses from future performance at a medium-high level, and poor market conditions will likely impact the capacity to pay you.

Be aware of currency risk. The currency of this share class may be different from that of your country, as you may receive payments in the currency of this share class and not that of your country, the final return will depend on the exchange rate between these two currencies.

Not all risks affecting the Fund are adequately captured by the summary risk indicator.

This rating does not take into account other risk factors which should be considered before investing, these include:

Credit, Real Estate, Counterparty, Sustainability, Liquidity

This product does not include any protection from future market performance, so you could lose some or all of your investment. For further information please refer to the Fund prospectus, available free of charge at: https://www.morganstanley.com/im

If we are not able to pay you what is owed, you could lose your entire investment.

Performance scenarios

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your adviser or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate and favourable scenarios shown are illustrations using the worst, average and best performance of the product over the last 10 years, by identifying, depending on the performance scenarios and as defined in the Key Information Document's EU regulation, all overlapping sub-intervals individually (i) equal in length to the recommended holding period which start or end in each month which are contained within that period of 10 years or (ii) equal or shorter in length to the recommended holding period, but equal to or longer than one year, which end at the end of that period of 10 years. Markets could develop very differently in the future.

The stress scenario shows what you might get back in extreme market circumstances.

Unfavourable: This type of scenario occurred for an investment between 11/2015 and 10/2020.

Moderate: This type of scenario occurred for an investment between 04/2017 and 03/2022.

Favourable: This type of scenario occurred for an investment between 07/2013 and 06/2018.

Recommended minimum holding period: 5 years
Example Investment: 10 000 EUR

Scenarios		If you exit after 1 year	If you exit after 5 years (recommended holding period)
Minimum	**There is no minimum guaranteed return. You could lose some or all of your investment.**		
Stress	**What you might get back after costs**	1 120 EUR	1 330 EUR
	Average return each year	- 88.8 %	- 33.23 %
Unfavourable	**What you might get back after costs**	5 990 EUR	6 280 EUR
	Average return each year	- 40.07 %	- 8.9 %
Moderate	**What you might get back after costs**	9 740 EUR	10 460 EUR
	Average return each year	- 2.6 %	0.91 %
Favourable	**What you might get back after costs**	13 940 EUR	15 300 EUR
	Average return each year	39.39 %	8.88 %

For any Fund with less than 10 years of historical data, an appropriate proxy benchmark has been applied for performance scenario calculations. These calculations are net of all applicable costs.

What happens if MSIM Fund Management (Ireland) Limited is unable to pay out?

The assets of the Fund are held in safekeeping by the Depositary. In the event of the insolvency of the Management Company, the Fund's assets in the safekeeping of the Depositary will not be affected. In the event of the Depositary's insolvency, the Fund may suffer a financial loss. However, this risk is mitigated to a certain extent as the Depositary is required by law and regulation to segregate its own assets from those of the Fund. The Depositary will also be liable to the Fund and the investors for any loss arising from its negligence, fraud or intentional failure to fulfill its obligations. Such loss is not covered by an investors compensation or protection scheme.

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product performs. The amounts shown here are illustrations based on an example investment amount and different possible investment periods. We have assumed (i) in the first year you would get back the amount that you invested (0 % annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario and (ii) EUR 10,000 is invested.

Example Investment 10 000 EUR	If you exit after 1 year	If you exit after **5 years** (recommended holding period)
Total costs	823 EUR	1798 EUR
Annual cost impact (*)	8.23 %	3.25 %

*This illustrates how costs reduce your return each year over the holding period. For example, it shows that if you exit at the recommended holding period your average return per year is projected to be 4.16% before costs and 0.91% after costs.

Composition of Cost

One-off costs upon entry or exit		If you exit after 1 year
Entry costs	5.75% of the amount you pay in when entering this investment. In case of conversion into shares of another class or another Fund, no conversion fee are charged but shareholders may be requested to bear the difference in subscription fee if higher.	575 EUR
Exit costs	Exit fees may be charged for this product at the discretion of the Management Company. This may be up to 2% of the amount redeemed and takes into account the interests of existing shareholders.	N/A
Ongoing costs		
Management fees and other administrative or operating costs	1.65% of the value of your investment per year. This is an estimate based on actual costs over the last year.	215 EUR
Transaction costs	0.32% of the value of your investment per year. This is an estimate of the costs incurred when we buy and sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell.	33 EUR
Incidental costs taken under specific conditions		
Performance fees	There is no performance fee applicable to this product.	N/A

How long should I hold it and can I take money out early?

Recommended minimum holding period: 5 years

This product is designed for medium-long term investments; you should be prepared to stay invested for at least 5 years. However, you can redeem your investment without penalty incurred for disinvestment prior to the end of the recommended holding period, or hold the investment longer. Redemptions must be received by the registrar and transfer agent no later than 1pm CET to be dealt with on the basis of the net asset value per share applicable on that valuation date. Redemptions received by the registrar and transfer agent after that cut-off time will be dealt with on the next valuation date. Redemptions may be made in a number of shares. Redemption payments will be affected three (3) Bank business days, which are also days when the relevant foreign exchange market is open, after the redemption of the shares. Any cashing-in before the end of the recommended holding period may have a negative consequence on your investment.

How can I complain?

If you have any complaint about the product, please find the steps to be followed for lodging any complaint at www.morganstanley.com/im. You can also send your complaint by email to cslux@morganstanley.com or in writing to the Fund's management company at: MSIM Fund Management (Ireland) Limited, European Bank and Business Centre, 6B route de Tréves, L-2633 Senningerberg, Luxembourg. If you have a complaint about the person that advised you about this product, or who sold it to you, they will tell you where to complain.
