FUND STRATEGY

The manager will seek to achieve the objective by investing in the following: Bank Deposits, Money Market Funds, Commercial Paper, Certificates of Deposit, Government Bonds, Government Agency Bonds, Global Bonds, Eurobonds, Domestic Bonds, Floating Rate Notes, Asset-Backed Securities and Covered Bonds. All of the securities held by the Fund will be classified as investment grade, with any purchases limited to investments rated A- or higher.

The Fund may invest in instruments with varying maturity dates, subject to a maximum expected maturity for any one investment of three years from settlement date. The blend of maturities are actively managed to adjust the Fund's positioning through the economic cycle as the manager adapts to rising or falling interest rates.

Through prudent management of the Funds interest rate and credit risk, the manager will seek to control the Fund's volatility over the longer term.
