UNDERLYING FUND STRATEGY

The fund invests at least two-thirds of its assets in equity and equity related securities of real estate companies worldwide with a focus on companies that invest in cities that the investment manager believes will exhibit continued economic growth, supported by factors such as strong infrastructure and supportive planning regimes. For clarity, investment in “equity and equity related securities of real estate companies” may include investment in real estate investment trusts (REITs). The fund may also invest up to one-third of its assets directly or indirectly in other securities (including other asset classes), countries, regions, industries or currencies, investment funds, warrants and money market investments, and hold cash (subject to the restrictions provided in Appendix I of the Prospectus).

UNDERLYING INVESTMENT MANAGER

Founded in London as J.F.Schröder & Co in 1800, Schroders is an investment manager with broad expertise across public and private markets, investing on behalf of savers and investors globally. At year-end 2022 then managed £737.5 billion of wealth and investments.
