FUND STRATEGY

The manager will seek to achieve the objective by investing in the following: Bank Deposits, Money Market Funds, Commercial Paper, Certificates of Deposit, Government Bonds, Government Agency Bonds, Global Bonds, Eurobonds, Domestic Bonds, Floating Rate Notes, Asset-Backed Securities and Covered Bonds. All of the securities held by the Fund will be classified as investment grade, with any purchases limited to investments rated A- or higher.

The Fund may invest in instruments with varying maturity dates, subject to a maximum expected maturity for any one investment of three years from settlement date. The blend of maturities are actively managed to adjust the Fund's positioning through the economic cycle as the manager adapts to rising or falling interest rates.

Through prudent management of the Funds interest rate and credit risk, the manager will seek to control the Fund's volatility over the longer term.

INVESTMENT MANAGER

Utmost Portfolio Management Limited is a Guernsey regulated investment management company that is 100% owned by Utmost Worldwide Limited. They offer portfolio management services for clients, utilising both internal and external research, and seeking to deliver superior risk adjusted investment returns.

FUND STRUCTURE

The Utmost Euro Reserve Fund is a Euro denominated insurance fund, which is established as part of the Utmost Worldwide long-term life fund, based in Guernsey.

The Utmost Euro Reserve Fund is valued and priced weekly. In addition to being priced in Euros, the base currency of the Fund, prices are also available in Sterling and US dollars. The Sterling and US dollar share classes are not hedged and are only suitable for investors seeking exposure to short dated Eurozone bond and money markets, and the Euro.

INVESTMENT RISK

The Fund is considered to be Low Risk. It is not separately regulated and investment performance is not guaranteed. Market and exchange rate movements may cause your investments to fall as well as rise and your capital is at risk. The information contained herein does not constitute legal, tax or financial advice. Any investment option selections should not be made without first assessing your own personal and financial situation and we strongly recommend that you seek investment advice from a regulated investment adviser. Past performance is not a reliable indicator of future results and investors may not recover the full amount invested. You should be aware that certain types of investment options might carry greater investment risk than other investment options.
